## MARCH 2011

---

### FEBRUARY MEETING MINUTES

The February 26, 2011 meeting was held at Killeen Field. Mike Stone opened the meeting at 10:00am. The Minutes for the January 2011 Meeting were approved as written. Three new member candidates were introduced, and they were unanimously voted into the Club. They are Dave Carling, Justin Link, and Eli Montoya. **Welcome Guys!** Scott Whitlatch, Treasurer, was not present, so Mike Stone gave the Treasurer's Report. Bob Estrella gave the Membership Report, stating that we currently have 97 paid members in the Club. Bob reported that 22 members had not renewed their AMA membership as of Friday, February 25<sup>th</sup>. Their names are posted on the Field Bulletin Board and in the Frequency Control Box. Members who do not have 2011 AMA Membership are not allowed to fly at our Field. Field Director, Mike Wheel, reminded members of the importance of Security at the Field, stating that a few items have "disappeared" from the Field. He emphasized that the last person to leave the Field each day must **BE CERTAIN TO LOCK BOTH DOORS OF THE SHED, AND BE SURE THAT BOTH STORAGE CONTAINERS ARE LOCKED!**

It was also agreed that Darrell Ivie would keep valuable Raffle Prizes at his home, rather than store them at the Field.

Roy Truitt asked that members only use the shovels that are in the shed for fires, not for runway repair work.

#### **Old Business:**

Mike Stone stated that there is no change in the status of the Dairy land that our Field is on. Mike then outlined the three bids that we have to repair the cracks in the runway. After discussion, a vote was taken on the way to proceed. It was agreed to go with the \$2200 quote to repair all of the runway cracks using hot tar. Mike Stone asked for volunteers to take on the task of constructing and installing facades depicting British, French, & German Hanger Entrances, and a Red Cross Station for our upcoming April 16<sup>th</sup> Dawn Patrol Fly-In. Several members volunteered, and teams were formed.

Bob Estrella discussed our upcoming March 5<sup>th</sup> Club 40 Pylon Race. He stated that Mike Wheel completed construction of the "Portable Pylons" for use on race days, and that they would be set up on Sunday, February 27<sup>th</sup> at the Field for a "Practice Day". Bob stated that he is expecting a good turnout of Race Pilots at our March 5<sup>th</sup> Race.

Mike Stone reminded members that we will be hosting a Swap Meet at our Field on May 14<sup>th</sup>.

Mike Stone asked for a volunteer to handle Restroom Cleaning/Trash Disposal Duty for March/April. New member, Justin Link volunteered. **Thanks, Justin!**

Mike also reminded members that our next Executive Board meeting will be held on March 23<sup>rd</sup> at the Moreno Valley IHOP (Dinner at 6pm and Meeting at 7pm).

#### **New Business:**

There was no new business to discuss.

#### **Raffle:**

There was no Raffle at this meeting.

**Show and Tell:** (see photo herein) Darrell Ivie showed his new PT-19 Electric ARF.

Duane Neese showed his RCGF ET-15 Gasoline Engine that he purchased from HobbyKing.

# CLUB 40 PYLON RACE REPORT

We held our first Club 40 Pylon Race on March 5, 2011. The weather was perfect, fifteen race pilots participated, and many spectators were present.

Clubs represented by race pilots were Gilman Springs RC Flyers (2 pilots), Victor Valley RC Flyers (3 pilots), Hemet Model Masters (7pilots), Corona RC Club (2 pilots), and Pomona Valley MAC (1 pilot).

We ran 3 Rounds of four Heats each. After the 3 Rounds were completed, the four pilots with the highest number of points faced off in a Trophy Race. The Trophy Race participants were Barry Young (Victor Valley RC Flyers), Glen Wolsky (Hemet Model Masters), Terry Yates (Victor Valley RC Flyers), and Doug Medore (Hemet Model Masters).

The Trophy Race Winners were:

Barry Young 1st Place.....\$35  
Glen Wolsky 2nd Place.....\$25  
Terry Yates 3rd Place.....\$15

We thank the Race Pilots who participated and helped make this a very successful & enjoyable event. A special thanks goes out to Terry Yates, without whose counsel over the past several months, this successful event would not have come about. Terry also brought his Laptop Computer & Software for Race Management, Wing Flags, and Lap Counter Cards for use at this event.

We also thank the following people who officiated at the event: Terry Yates (Computerized Race Management), Glen Arthur (Race Starter/Flag Man), Duane Neese (Assistant Race Starter), Steve Glen, Mel Santmyers, & Bill Rothenbuhler (Pylon Judges), Roy Truitt, Mike Wheel, Erik Whiteaker, & Darrell Whiteaker (Lap Counters), Darrell Ivie (Safety Inspector), and Bob Estrella (Registration).

A very special thanks goes out to our Field Director, Mike Wheel, who constructed the Portable Pylons documented on the RCPRO Website.
