AUGUST MEETING MINUTES

The August 27, 2011 meeting was held at Killeen Field. President, Mike Stone, opened the meeting at 10:00am with the Pledge of Allegiance.

A moment of silence was observed in memory of Woody Warren who passed away recently.

The Minutes of the July 2011 Meeting were approved as written.

Bill Rothenbuhler gave the Treasurer's Report, stating the balances in our Checking and Savings Accounts.

Bob Estrella gave the Membership Report, stating that 22 members had not renewed their membership yet and that, of those, 9 have confirmed that they will not renew. FINAL NOTICE Letters have been mailed to the others.

Mike Wheel gave the Field Directors Report, stating that the Windsocks that he ordered are expected to arrive soon.

Old Business:

Mel Santmyers stated that he has a copy of the paperwork that the Temecula Club used to incorporate. Mike Stone will review it before filing our paperwork.

Bob Estrella commented on how well the Computerized Pylon Race Management System worked at our August 6th Club 40 Pylon Race.

Bob will do some research to determine the source and cost of the Lap Count Display System.

He also stated that the Temecula Valley Flyers may be interested in getting into Club 40 Pylon Racing. Mike Stone noted that new member, Bruce Baker, is looking into taking on the role of Webmaster. (Note: At this writing, Bruce Baker has decided not to take on the role of Webmaster).

Mike Wheel reported that the Tractor needs to have the Injector Pump Injectors replaced. This would be costly, and it won't cure all of the problems with the Tractor. He agreed to look into what a replacement Tractor would cost, and try to have some prices by the next meeting.

New Business:

Mike Stone stated that we need a Restroom Cleaning/Trash Disposal Duty Person for September/October. Dave Carling volunteered.

Thank you, Dave!

Mike Wheel discussed three proposed Field Improvement Projects: Build 3 more Run-up Stands, Move the Pin Box to a place

in the Pits under the Shade Structure, and put up two windsocks (one at each end of the Pilot Station Fence). The three proposals were approved.

Bob Jones stated that he would like to have a Propane Burner to boil hotdogs at our events. He was given the go-ahead to purchase one.

Mike Stone listed our two upcoming 2011 Events: October 8th Swap Meet, and November 12th Members Appreciation Fun-Fly. He asked that member donate Door Prizes for the Fun-Fly, and said that we will determine how much to spend on Prizes after we see what donations we get. Mike Wheel will coordinate plans for the Fun-Fly event(s), e.g. Poker Run, or Spot-Landing, Egg Drop, etc. Mike will also check into the possibility of having a caterer provide lunch at the Fun-Fly.

Mike Wheel showed the Sopwith Camel that our member Bob Shiffermiller donated to the Club. We will raffle it off at next year's Dawn Patrol Event. Raffle Tickets are \$1 each, and can be purchased anytime between now and then. Mike Stone asked members to let him know if they don't have a Name Badge, so that he can get them made.

Mike Stone announced that the next Executive Board Meeting will be held on October 19th at the Moreno Valley IHOP Restaurant (dinner at 6pm and meeting at 7pm).
